The Marbliss series brings the luxury of real marble to your kitchen. With its rough exterior, these mortars, wine coolers and glass coasters are practical eye-catchers that you would rather not hide away in a cupboard. Perfect for those who love robust, solid and natural material in a modern setting. The series consists of mortars, a

BULLET

Classical shapes, funky finish, stylish colors. The Bullet never disappoints, no matter the setting. The stoneware vases with rough surface are essential in every home. The exceptional thing about the Bullet items is that no two items are precisely the same, thanks to the reactive glaze that was applied during the finishing phase.

Trendy and rustic, the TUBO and Cone collections each offer a unique, textured aesthetic in white. The TUBO collection features stoneware vases with bold, modern shapes and a tactile finish, available in two sizes. The Cone collection showcases playful, cone-shaped vases with a distinct design that brings a natural, earthy touch to your space. Both collections are versatile and can be mixed and matched, adding a stylish and contemporary accent to any interior.
