Perla.

Perla, referencing the beautiful white round pearls from pearl oysters, is a symbol of innovation in several ways. It's the iconic collection of CHIC, where elemental natural beauty got combined with updated styling.

The white Perla items are made of the unique formula SiloxiHT. This formula consists of a blend of quality materials, which allows the product to be thinner, more durable, lighter in weight and more translucent than other porcelain variants. SiloxiHT guarantees fine bone china looks with robust characteristics.

Arte.

Arte is a true work of art in itself. The outer surface of each piece features a soft, matte hand-carved texture that creates a subtle and organic appearance. Inside, each piece is beautifully finished with a glossy glaze that enhances the colours and textures of your culinary creations. The contrast between the matte exterior and the glossy interior creates a visual highlight that elevates your presentation to new heights.

Ostra.

The serene colour palette of Ostra harmoniously combines a reactive glossy glaze on the inside with a matte finish on the outside. Crafted from durable porcelain, the collection is designed to endure a lifetime. Notice the soft colour on the rim of the dinnerware, carefully selected to accentuate its elegant round shapes. A key design objective for Ostra was to introduce a new timeless beauty to the CHIC portfolio.
